ABOUT ME

I am pursuing Master in Computer Science and Applications (MCA) from Aligarh Muslim University and expected to complete in the year 2024. I am open to work and looking for Internships in software engineering field.

EXPERIENCE

CodSoft | Intern

Internship on Web Development

September 2023 – November 2023

This opportunity likely involves gaining hands-on experience in designing and building web applications, acquiring skills in programming languages, and collaborating with a development team.

Computer Science Society | Intern

Internship on Competitive Programming

March 2023 – May 2023

- The Computer Science Society of Department of Computer Science, AMU offered a competitive programming internship for 3-months.
- This internship provided students with an opportunity to enhance their programming skills, problem-solving abilities, and competitiveness in coding contests. Participants gained valuable experience and knowledge to excel in the field of computer science.

PROJECTS

ShopZen – An E-commerce Website

Project Link

Designed and developed a user-friendly front-end for an e-commerce website project. Created intuitive interfaces, ensuring seamless navigation and enhancing the overall user experience. Utilized HTML, CSS, and JavaScript (Basic) to implement responsive designs.

EduVerse – An E-Learning Portal

Project Link

This project “EduVerse – An E-Learning Portal” is a comprehensive learning portal designed to provide a dynamic and interactive platform for computer science education. It aims to revolutionize the way computer science concepts are taught and learned by offering a wide range of online courses, resources, and tools tailored to meet the diverse needs of learners in the field of computer science.

EDUCATION

ALIGARH MUSLIM UNIVERSITY

Master in Computer Science and Applications | Sept 2022 – present |

Department of Computer Science AMU
| Grade: 7.67 CGPA (till 2nd Sem)

ALIGARH MUSLIM UNIVERSITY

B. Sc (Hons.) Physics | Aug 2019 – May

2022 | Department of Physics AMU |

Final grade: 7.82 CGPA

SKILLS

Programming Languages:

Java • Python • C++

Front-End Technologies:

HTML5 • CSS • JavaScript

Database:

MySQL • MongoDB

Operating System: **Windows**

Tools: **Git • GitHub • NumPy**

Pandas

Data Structures | Algorithms |

Communication Skills

COURSEWORK

Data Structures and Algorithms

Database Management System

Operating Systems

Computer Architecture

Data Communication and Networking

CERTIFICATIONS

Introduction to Java | Coding Ninjas

Data Structures in Java | Coding Ninjas

Introduction to C++ | Coding Ninjas

Introduction to Web Development |
Coursera
